

May 3, 2024

To the President, Provost, Deans, and other leadership of UT Dallas:

We, the undersigned alumni, write as a diverse group of Comets that are proud to call the University of Texas at Dallas our alma mater. We strongly condemn the recent violent retaliation against the students, alumni, faculty, staff, and community members holding peaceful protests at the Gaza Liberation encampment. The use of force is a violation of the University's mission and our nation's values of free speech and expression.

As alumni, we know that the University plays a critical role in preparing and educating students for the world they are inheriting. The Gaza Liberation encampment was a true example of what peaceful student organizing, mutual education, and critical reflexivity can look like. To see the University respond with fear tactics and excessive force to break up an otherwise peaceful political demonstration truly disappoints us.

We join the faculty in calling for university leadership to:

- Drop or refrain from pressing legal charges against all individuals;
- Allow student activists to complete their semesters' coursework, without suspension, expulsion, or other punishment this semester, and without restricting their future options to enroll in classes or live in university housing;
- Affirm that faculty who were detained will face no professional repercussions.

In addition, we join the student activists' calls for:

- UTD and UTIMCO to fully divest from corporations complicit and directly facilitating war, occupation, policing, militarism, and death in Palestine and around the world;
- UTD to reject the anti-Palestinian Executive Order and threats against SJP's freedom of speech;
- UTD to end the silence and release a public statement calling for an immediate, permanent ceasefire in Gaza and denounce the ongoing genocidal campaign against the Palestinian people.

Until these demands are met, we will withhold any financial donations to the University.

UT Dallas has the opportunity during this historic moment to be a leader that encourages peaceful political discourse and divests from war profiteering. We hope it embraces this chance.

Sincerely,

To have your name added, please fill out this form: <https://forms.gle/M5YnH3VcjenXxJMT9>

We're inputting names manually, so there is likely to be a time delay before you'll see your name. We delivered the first round of signatures at 9 AM on Monday, May 6. The letter remains open for signatures at this time. We will send UT Dallas administration an addendum with the added names. Please share with your networks with the appropriate urgency.
